MANIVEST, a major consulting firm in the Greater China Region, is committed to offering professional services on company structuring services and international financial and tax services to international clients. It was founded in 1987, adhering to the philosophy of "Originated in Asia, Based in Asia, Serving the World" .With our offices in Hong Kong, Shanghai, Hangzhou and Macau, it has been providing services for global clients for 26 years.

The establishment of the Research and Publication Department of Manivest is to provide offshore industry information to offshore practitioners in Greater China Region. Our department has published a series of academically well researched publications which are widely recognized. We are professional information provider of CCH and Westlaw in China.

We publish a newsletter every month and a magazine quarterly.
